Cub Scouts Selling Popcorn

Your Town Cub Scouts are selling popcorn to help pay for many of the Scouting programs they will be participating in.

This year, Scouts in Pack _____ are selling microwave popcorn, caramel popcorn, 3-way tins, the Chocolate Lover's Tin, and Chocolately Caramel Crunch, With a large variety of products to offer, they are sure to have something for everyone!

Over 70% of the money collected during the popcorn sale stays local to help pay for activities, trips, a week at Day Camp, and leader training. In addition, selling popcorn helps Scouts set goals and work towards them by committing to a specific task, managing money, taking responsibility, and earning their own way.

You can look for Scouts in your neighborhood selling popcorn door to door. Not only will it satisfy your need for popcorn, but also help the Scouts earn their way through the Scouting program.

Boy Scouts of America is a youth development organization that's designed to prepare young people to make ethical and moral decisions throughout their lifetimes. The goals of Scouting consist of citizenship training, character development, and personal fitness. Throughout the Boy Scout program, young individuals are encouraged to advance through ranks by fulfilling requirements in the areas of leadership, service, and outdoor skills, and the popcorn fundraising event helps the Scouts pay for many of the program fees.
